NB: Map shows 25 day itinerary from Johannesburg; the 19 day tour (SWS19) starts in Livingstone.

From Africa's premier attraction, Victoria Falls to its most beautiful city – Cape Town – via the world's oldest desert, the Namib and the tranquility of the Okavango Delta, dramatic Fish River Canyon and Etosha and Chobe game reserves– this is a superb introduction to southern Africa!

INTENDED ITINERARY

It is our intention to adhere to the route described below but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary. Please therefore treat the following as a guide only.

The vehicle used for this tour is a fully-equipped safari truck, except for the visits to some of the national parks when we may use smaller more suitable vehicles (typically, 4x4 or safari vans).

Duration: 19 Days
Countries visited: Zambia, Botswana, Namibia, South Africa

DAY 1 Livingstone

This safari starts and spends the first day in Livingstone, allowing time to enjoy one or two activities and excursions typically available in the Victoria Falls area. If you have time to spare we would certainly recommend allowing a few extra days here to make the most of the area. Activities include white water rafting, bungee jumping, abseiling, gorge swinging, canoeing, elephant and horse riding, scenic flights (by microlight, helicopter or small plane), and – a definite 'must!' - visit to the thunderous Victoria Falls themselves. At times of high river levels the spray can be seen from 20 kilometres away, hence the local name Mosi au Tunya – the 'smoke that thunders'. Overnight at camp in Livingstone.

NB For the sake of practicality, meals in the Livingstone/Victoria Falls area are restricted to breakfasts. This allows you to take on half day or full day activities (some of which include lunch) without having to be back with the group at mealtimes. The Waterfront camp restaurant overlooks the Zambezi River and offers a good selection of reasonably priced meals and snacks throughout the day (we suggest you allow US\$25 per day).

DAY 2 - 3
Chobe National Park

After breakfast we leave Livingstone and travel the short distance to Botswana and the Chobe National Park. Situated in the extreme northern corner of Botswana, Chobe is home to large populations of elephant as well as lion and abundant birdlife, including the African fish-eagle. In the late afternoon, we take an afternoon cruise on the Chobe River - a delightful way to see hippo or elephant, sometimes buffalo, come to the river for bath and drink. Earlier in the day we take an early morning game drive into the park itself for a glimpse of Botswana's premier game reserve.

DAY 4 - 5
Maun, Okavango Delta

Further south, we cross the fringes of the Kalahari Desert and make our way to Maun and the Okavango Delta. A natural wetland system spreading over some 1.6m hectares of northern Botswana, the results from rivers that rise in Angola and flow south then divide repeatedly to form an intricate floodplain of channels and islands which spreads out into a broad flat inland delta – the only one of its kind in the world. Our overnight excursion gives us the opportunity to explore some of the area on foot and by dugout canoe (makoro). This is a very unspoilt wildlife area. We search amongst the giant lily pads, tall grasses and narrow channels for hippo, crocodile and a variety of birds. We camp for a night in the Delta itself on one of the river islands - an unforgettable wilderness experience!

DAY 7 – 8
Ghanzi - Windhoek

Leaving the Okavango we travel south-west skirting the Kalahari. We stop at Ghanzi and take a guided Bushman Walk to discover some of the secrets of this immense terrain and gain a glimpse of how the indigenous people live in this area. The following day we continue west into Namibia and stop a night in the capital Windhoek, a city steeped in German atmosphere and architecture. Enjoy the contrast from the previous few nights, perhaps with a flagon of ale at one of the local taverns.

DAY 9 – 13
Etosha National Park - Swakopmund

We make our way north to Etosha National Park, a vast reserve of over 20,000 square kilometres in area surrounding a central salt depression or 'pan.' The pan is seasonally filled with water but managed year-round waterholes sustain some 114 mammal and 340 bird species. We spend two nights in Etosha, camping near a floodlit waterhole which offers exciting night viewing for those who wish to stay up late.

Turning south again, we pass through the eerie Spitzkoppe area and travel along some of the desolate Atlantic coast, the colonial town of Swakopmund, Namibia's main seaside resort.

Sandwiched neatly between the desert and the ocean, this delightful coastal oasis has developed into something of an adventure centre. Try 'quad biking, sand boarding, or skydiving (weather permitting) or for those preferring a slower pace, take a coastal walk or indulge in Swakopmund's café culture at your own leisure.

DAY 14 – 16
Namib Naukluft Park – Fish River Canyon

Continuing south through the barren desert we reach the Namib Naukluft Park. The world's oldest desert and containing some of the highest sand dunes in the world – some of Sesriem and Sossusvlei's dunes are over 300m high – this is an ideal spot to clamber to the top of one and see the sun rise over the empty desert. We continue deeper into the park for a nature walk across the salt pans and flat valley floors. Don't forget your camera - the changing colours of the sand as the sun rises and sets throughout the day offer brilliant photographic opportunities.

Continuing to the very south of Namibia we admire the awesome beauty of the Fish River Canyon. One of the natural wonders of Africa, some 500m deep and over 160km long, this is the second largest canyon in the world after America's Grand Canyon. Again, there are plenty of opportunities for keen photographers as we spend time around this area and visit the canyon's infamous sharp river bend known as 'Hell's Corner.'

DAY 17 – 19
Gariep River – Cape Town

On our final leg of the journey we leave Namibia and enter South Africa stopping en route for a night next to the desolate but striking Gariep (Orange) River.

We continue south and notice the desert slowly give way to the increasingly fertile Cape Province. On the edge of Cape Town itself lie the Cape Flats, home to Cape Town's townships. We visit some of the local people and community projects in the area. The townships illustrate both South Africa's tumultuous history and its hope for the future. Finally we continue to cosmopolitan Cape Town, without doubt one of the world's most beautiful cities, where the tour ends. If time allows we recommend you spend a few days exploring the city and surrounds. Take advantage of the variety of activities normally available here – from abseiling Table Mountain and shopping at the V&A Waterfront, to wine tasting in the nearby winelands of Paarl and Stellenbosch.

TOUR INFORMATION

Travelling overland is great fun, but it can also be challenging! This is a *participation* tour and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking and keeping the truck and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip.

Africa is an adventure destination and travelling here is not always predictable so be prepared to "expect the unexpected" in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes rough travel and long driving days worthwhile.

Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your Acacia overland tour across this amazing continent.

MONEY MATTERS

PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour, for snacks, drinks, souvenirs, tips and items of a personal nature. Everybody has different spending habits but as a guideline we suggest you budget US\$15-20 per day. Also keep US\$ cash for relevant airport taxes and visas needed, optional activities and any additional accommodation before or after your tour.

- **Spending money** is best carried as cash in US dollars, Sterling or Euro which you then exchange into local currency on arrival and as you go. Your guide can advise how and when you can change the rest of your money throughout the tour.
- **Currencies** are as follows: South Africa – Rand; Namibia – Namibian Dollar; Botswana – Pula; Zambia – Zambian Kwacha. Please note South African Rand is legal tender in Namibia at the same exchange rate
- **ATM machines** are available throughout South Africa and in major centres in Botswana and Zambia however are not always reliable. Please remember that cash will only be dispensed in local currency and do not provide you with US Dollars (and therefore cannot be used to draw your Local Payment)
- **Credit cards** can be used to pay for optional activities although charges may be may be high by western standards (+/- 5%).
- **Travellers cheques** can be difficult to cash but make suitable emergency funds.

- **Pre Loaded Cash Cards** are available in various countries and will enable you to load funds onto your card which you can then either draw from an ATM or use like a credit/debit card refer to www.cashpassport.com for more details and local availability.

We recommend you bring your spending money in several different ways (some cash, some t/cheques, some cards); your guide can best advise on what to use where.

LOCAL PAYMENT

A Local Payment (LP) is to be paid to your tour leader at the group meeting on the first evening.

The LP fund is administered by the tour leader in conjunction with the group and covers most meals, all game drives using our own vehicle, campsite fees and meals prepared at the truck (usually two or three per day). You can choose to pay either the Basic Local Payment at the beginning, and then pay for your excursions along the way, or else you may pay for everything up front in the Fully Inclusive Local Payment.

The Inclusive Local Payment is: USD 720 per person

These may vary from the amounts set out in the brochure or website and on rare occasion where there is a shortfall, passengers may be asked to contribute further.

TIPPING

This is always a matter for your own individual discretion but as in many areas where tourism is an important contributor to the economy, it has become customary to give a small gratuity to local staff, including your tour leader and driver, at the end of a tour if services rendered have been to your satisfaction.
