INTENDED ITINERARY

It is our intention to adhere to the route described below but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary. Please therefore treat the following as a guide only.

The vehicle used for this tour is a fully-equipped safari truck. An additional transfer vehicle may be used for transfers to the start of the trek.

Duration: 6 Days
Countries visited: Uganda

DAY 1-2

Kampala – Queen Elizabeth – Lake Bunyonyi

We start the Ugandan capital, Kampala, an attractive hilly city, bustling with roadside traders, markets and busy matatu (mini-bus taxi) stands. We strongly recommend you plan to arrive the day before in order to overcome any jetlag on long-haul flights and in order to be ready for our early start on Day One.

From Kampala, we travel west to Queen Elizabeth National Park. Uganda is a wonderfully fertile country of green terraced hillsides, lush banana plantations, steep mountains and tangled forests. We enter the QENP, with a view (further to the west) of the mountains that separate Uganda from central Africa. We game drive in the morning in search of the Uganda Kob (a type of antelope) as well as elephant, lion, buffalo, hyena and hippo. Nearby the park we visit the Kyambura Gorge for the trek to see the chimpanzees. Unlike the larger gorilla, chimps live mostly in the trees and so our viewing is necessarily at some distance. However the experience of seeing man's closest relative in the wild is a memorable one.

DAY 3-5

Gorilla Trek - Kampala

Continuing deep into the Kigezi Highlands we come to the picturesque Lake Bunyonyi, an ancient flooded valley, where we usually base ourselves for the gorilla trekking.

This region of Africa is home to the world's remaining 700 mountain gorillas, many of which inhabit the Bwindi Impenetrable National Park. [Occasionally we may travel into neighbouring Rwanda to trek for the gorillas.]

On the day of our trek we gather in the early morning to meet our local guide and tracker. Walking in small groups we trek into the thick rainforest. The trek can be demanding at times with uneven terrain and hilly rainforest but the privilege of spending time with a family of these gentle primates makes the effort well worthwhile. To many people, even those who stay in Africa longer than this two week tour, the day's trek and time with the gorillas remains their most exciting wildlife encounter in Africa.

The usual procedure, once we have located the gorilla 'family', is to squat or sit down and simply observe them for around an hour – the time set by the Uganda Wildlife Authority (the national body charged with controlling and maintaining the gorillas in Uganda). Gorillas are sociable creatures, living in groups between 12 and 20 individuals, usually led by an 'alpha male' (the 'silverback' - so called because of the silver hair on his back which grows once the male gorilla attains maturity). Most people find that the gorillas are remarkably human-like at close quarters – particularly in the social interaction between family members and in 'play' activity in which the young engage. Photography is permitted (although not with a flash and there are restrictions for those who wish to use a video camera.)

Your permit allows you one trek and gorilla viewing (time limited to one hour). However because the authorities maintain strict limits on the number of visitors allowed to view the gorillas each day we may spend several days in the area while all passengers in our group complete the trek and viewing.

DAY 6

Kampala

Today we return to Kampala through lush valleys of banana plantations and rural villages before crossing back into the northern hemisphere. Our trip finishes at the end of the afternoon/early evening on arrival in Kampala.

TOUR INFORMATION

Travelling overland is great fun, but it can also be challenging! This is a *participation* tour and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking and keeping the truck and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip.

Africa is an adventure destination and travelling here is not always predictable so be prepared to "expect the unexpected" in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes rough travel and long driving days worthwhile.

Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your Acacia overland tour across this amazing continent.

MONEY MATTERS

PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour, for snacks, drinks, souvenirs, tips and items of a personal nature. Everybody has different spending habits but as a guideline we suggest you budget US\$15-25 per day. Also keep US\$ cash for relevant airport taxes and visas needed, optional activities and any additional accommodation before or after your tour.

- **Spending money** is best carried as cash in US dollars, Sterling or Euro which you then exchange into local currency on arrival. Your guide can advise how and when you can change the rest of your money throughout the tour.
- **Currencies** are as follows: Uganda: Uganda Shilling.

- **ATM machines** are found in Kampala BUT please note they are sometimes unreliable and therefore we recommend you do not rely on them! Please remember that ATMs will only dispense local currency and will not provide you with US Dollars cash (and therefore cannot be used to draw your Local Payment).
- **Credit cards** can be used to pay for optional activities although charges may be may be high by western standards (+/- 5%).
- **Travellers cheques** can be difficult to cash but make suitable emergency funds.

We recommend you bring your spending money in several different ways (some cash, some t/cheques, some cards); your guide can best advise on what to use where.

LOCAL PAYMENT

A Local Payment (LP) is to be paid to your tour leader at the group meeting on the first evening.

The LP fund is administered by the tour leader in conjunction with the group and covers most meals, all game drives using our own vehicle, campsite fees and meals prepared at the truck (usually two or three per day). You can choose to pay either the Basic Local Payment at the beginning, and then pay for your excursions along the way, or else you may pay for everything up front in the Fully Inclusive Local Payment.

For the TROOP TO THE GORILLAS 6 DAY tour:

The Basic Local Payment is: USD 225 per person

The Inclusive Local Payment is: USD 225 per person

Payment must be made in **US\$ cash in clean, post-2005 edition notes**. Traveller's cheques and credit cards **cannot** be accepted as means of payment. The LP amounts set out in the brochure are estimates of local costs at the time of printing. It is subject to inflation, exchange rate changes and local price rises. These may vary from the amounts set out in the brochure or website and on rare occasion where there is a shortfall, passengers may be asked to contribute further.

TIPPING

This is always a matter for your own individual discretion but as in many areas where tourism is an important contributor to the economy, it has become customary to give a small gratuity to local staff, including your tour leader and driver, at the end of a tour if services rendered have been to your satisfaction.

OPTIONAL ACTIVITES

In order to give you maximum flexibility on tour we offer a number of optional activities on the tour. To help budget, approximate prices are listed below (in US\$ unless otherwise stated. subject to change and availability).
