INTENDED ITINERARY

It is our intention to adhere to the route described below but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary. Please therefore treat the following as a guide only.

Duration: 22 Days
Countries visited: Tanzania, Malawi, Zambia, Botswana, South Africa

DAY 1 - 3

Dar es Salaam - Zanzibar

Evocative and exotic, Zanzibar conjures up images of idyllic, sandy, palm fringed beaches, romantic winding cobbled alleys and lush tropical forests. You will find all of these here – and an intriguing history. Zanzibar was the base for the great 19th century explorers John Hanning Speke, Richard Burton and David Livingstone and was once a major trading centre for spices. Indeed the spice trade is central to the island's history – Zanzibaris have traded with the people of the Arabian peninsula for generations, plying the ocean in simple dhow sailboats using the annual trade winds for passage. The Arab influence is evident in the architecture and diverse street stall offerings of Stone Town. Indeed the Arab influence can be seen right along the East African coast - the *Swahili* language itself the result of the mixing of Arab and African languages and cultures over many centuries.

Zanzibar's other history is not so romantic. The island was a staging post for slaves brought from the African interior, held before shipping to slave owners in the middle east. You can still see the places where these men and women were held – and even a short visit is enough to convey the appalling conditions they had to endure.

Our time on the island is not structured and your time is at leisure. Perhaps the best way to see Stone Town is on foot: explore the bazaars, shops, mosques, palaces, courtyards and alleyways of the old town. Spices are grown in plantations nearby and you can take day-tours to visit some and have your senses dazzled by the tastes and scents experienced. If it's white sand, sparkling ocean and hot sun you prefer – head for the northern beaches and enjoy the Indian Ocean at its best. Try snorkelling and diving, indulge in some sumptuous seafood, or simply relax beneath a coconut palm with a cocktail and a good book.

After three nights we cross back by ferry to the African mainland and Dar es Salaam.

NB As we leave the truck on the mainland, basic tourist class accommodation on Zanzibar is included in the Local Payment but for the sake of flexibility meals are left for your own account. Typically we spend one night in Stone Town and the next two nights in the north of the island at one of the beaches. Your tour leader will be available to assist if you experience any problems but there are no set activities - the time is entirely at your leisure.

DAY 4 - 10

Mikumi National Park – Lake Malawi Beaches

We spend one further night in Dar es Salaam before leaving the coast and driving across country to Malawi. The road runs through the relatively small (by African standards) Mikumi National Park and passes through various small towns and villages of rural Tanzania. We enter Malawi at its northern tip and almost immediately catch a glimpse of the enormous Lake Malawi. Covering almost a fifth of the country's area, Lake Malawi is one of Africa's 'great lakes' and provides a source of livelihood for many of the Malawi people. Fishermen, traders, canoe and net makers are common sights along the shoreline. Freshwater and good swimming explains why the lake is a major visitor attraction.

We camp along the lake shore, usually by the beach. There is usually a range of water sports available and time to indulge or simply to relax. The Malawi people are known amongst travellers as being very friendly and there is usually the opportunity to meet some of the local people from the nearby communities.

DAY 11 - 16

Lusaka – Livingstone – Victoria Falls

Leaving Malawi we cross into Zambia. We cross the Luangwa River and pass through the capital city, Lusaka, to Livingstone and Victoria Falls, arriving on day 22 of the tour. Our camp is on the banks of the mighty Zambezi River, one of Africa's major rivers, indeed the largest that flows eastward into the Indian Ocean. Time here is at leisure. Take advantage of the range of optional activities typically available: white water rafting, bungee jumping, abseiling, gorge swinging, canoeing, elephant and horse riding, lion walks, game drives and scenic flights. Naturally a visit to the Victoria Falls themselves is a 'must'. At over a mile wide and some 100m deep, at high water the 'Falls' is the largest curtain of falling water in the world. Depending on the time of year the spray from the Falls can be seen from 30 kilometres - hence the local name Mosi au Tunya – 'smoke that thunders'.

NB For the sake of practicality, meals in the Livingstone/Victoria Falls area are restricted to breakfasts. This allows you to take on half day or full day activities (some of which include lunch) without having to be back with the group at mealtimes. The Waterfront camp restaurant overlooks the Zambezi River and offers a selection of reasonably priced meals and snacks throughout the day (we suggest you allow US\$30-\$40 per day). Alternatively Livingstone town is a short taxi ride away, where you can eat out at one of the local restaurants.

DAY 17 - 21

Livingstone – Chobe National Park Greater Kruger & National Park

From Livingstone, we drive the short distance to the Botswana frontier and cross into this vast country by simple ferry. Our first stop is near Chobe National Park, home to large populations of elephant, as well as lion, hyena and abundant birdlife. We take a late afternoon game viewing cruise to see hippo, buffalo or elephant coming to drink at the end of the day.

We continue across the flat grasslands of eastern and southern Botswana via Nata, Francistown to South Africa. Once border formalities are complete we continue to southern Africa's premier game reserve, the Kruger National Park. The fences between the national park and adjacent private reserves have been removed resulting in the massive 'Greater Kruger' - an area of over 24,000 square kilometres. We spend two nights here and hope to catch sight of some of Africa's marvellously diverse wildlife: lion, elephant, buffalo, leopard, giraffe, and some of the 500 species of bird that inhabit the park. The landscape is mainly flat bush and savannah but there is a good road network within the park and whilst the time we have available is limited it does allow us to glimpse the diversity. In addition to morning game drives there may also be the option of a cultural evening at one of the local villages to round off our tour.

DAY 22

Johannesburg

We leave the Kruger behind and make our way to South Africa's commercial capital, Johannesburg, where our tour ends in the late afternoon/early evening of day 22.

TOUR INFORMATION

Travelling overland is great fun, but it can also be challenging! This is a *participation* tour and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking and keeping the truck and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip.

Africa is an adventure destination and travelling here is not always predictable so be prepared to "expect the unexpected" in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes rough travel and long driving days worthwhile.

Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your Acacia overland tour across this amazing continent.

MONEY MATTERS

PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour, for snacks, drinks, souvenirs, tips and items of a personal nature. Everybody has different spending habits but as a guideline we suggest you budget US\$15-25 per day. Also keep US\$ cash for relevant airport taxes and visas needed, optional activities and any additional accommodation before or after your tour.

- **Spending money** is best carried as cash in US dollars, Sterling or Euro which you then exchange into local currency on arrival and as you go. Your guide can advise how and when you can change the rest of your money throughout the tour.
- **Currencies** are as follows: Kenya – Kenyan Shilling; Tanzania (including Zanzibar): Tanzania Shilling; Malawi - Malawi Kwacha; Zambia – Zambia Kwacha; Botswana – Pula; South Africa : Rand.
- **ATM machines** are found in Nairobi, Arusha, Dar es Salaam, Zanzibar and in southern Africa BUT please note they are sometimes unreliable and therefore we recommend you do not rely on them. Please remember that ATMs will only dispense local currency and will not provide you with US Dollars cash (and therefore cannot be used to draw your Local Payment).
- **Credit cards** can be used to pay for optional activities although charges may be may be high by western standards (+/- 5%).
- **Travellers cheques** can be difficult to cash but make suitable emergency funds.

We recommend you bring your spending money in several different ways (cash, t/cheques, cards).

LOCAL PAYMENT

A Local Payment (LP) is to be paid to your tour leader at the group meeting on the first evening. The LP fund is administered by the tour leader in conjunction with the group and covers most meals, all game drives using our own vehicle, campsite fees and meals prepared at the truck (usually two or three per day). You can choose to pay either the Basic Local Payment at the beginning, and then pay for your excursions along the way, or else you may pay for everything up front in the Fully Inclusive Local Payment.

The Basic Local Payment is: USD 515 per person

The Inclusive Local Payment is: USD 595 per person
